

Inventory, Sales, Sales per Square Foot and Days on the Market from 2001 through April 2026

Inventory & Sales

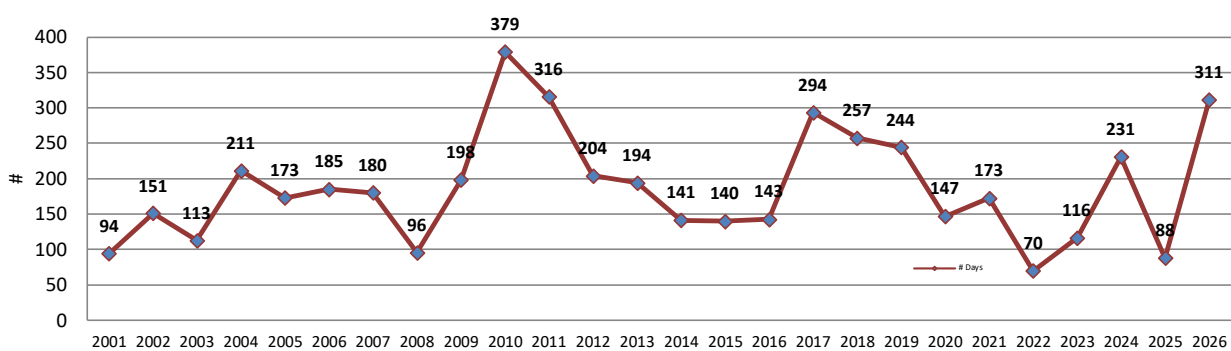

* Total Sales for 2026 reflective of first 4 months

Sales \$/SF

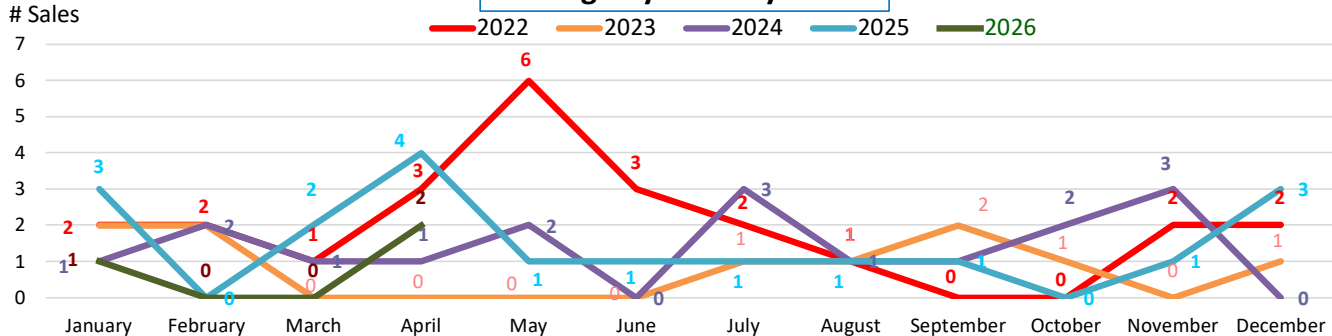

* As this reflects only 1 sale, and it was a beautifully renovated unit, fully furnished magnificently the "average" price looks high. With more sales, it will change.

Days on the Market - Sold

* Similar to the comments on the previous chart, as this reflects only 1 sale, and it took several reductions and a year to sell. 1 sale does not make a trend.
